

AvMed Your Complete Consumer Solution

The cost of providing employees with health coverage is increasing at a double-digit rate. Employers are seeking ways to minimize this impact.

AvMed has your solution ... Consumer-Directed Health Care.

AvMed's Consumer Solution provides a unique platform for employers to achieve health care cost containment through consumer-directed health plan options and account management. Our solution also puts the consumer – employees – at the center of health-care decision-making, with 24/7 live member support and state-of-the-art tools. Additionally, the solutions offer extensive tax savings for both employer and employees.

AvMed has partnered with HealthEquity, a leader in consumer account administration that is at the forefront of helping to revolutionize health care in America through a transition to a consumer-centric approach. HealthEquity specializes in health care accounts, supplemented with unparalleled services to help members understand and manage the financial side of health care.

AvMed is the one-stop shop for all your account-based health care needs.

We have it all:

✓ HSA

✓ HRA

✓ FSA

✓ DCFSA

AvMed offers

- **Health Care Account Administration** – HealthEquity administers all types of health care accounts, including HSAs, HRAs and FSAs. In addition, they administer any combination of these accounts, giving employers the right solution for their businesses.
- **Debit Card** – The funds that are deposited into these health care accounts can be easily accessed by swiping a debit card at the pharmacy and doctors' office to pay for health care expenses.
- **Single Sign-on Account Access** – Members can freely move from AvMed's to HealthEquity's Web site to access deductible information, claims information, account balances, claims and reimbursement requests and more.
- **Integrated Claims Processing** – Medical and pharmacy claims are automatically processed by AvMed and posted to each employee's online account. This process allows for rapid reimbursement for employees.
- **Health Education Tools** – Both AvMed and HealthEquity offer online resources, such as decision support and financial tools, to help members become more informed, cost-conscious consumers.
- **24/7 live member services** – Member service is available 24 hours a day, 7 days a week, 365 days a year!
