Dental Plans Designed with You in Mind

Want to offer your employees a dental plan that balances the coverage they need with a rate you can afford? You can now select from a range of dental prepaid and PPO plan choices to meet your needs and those of your employees.

Delta Dental Insurance Company (Delta Dental) provides you a variety of prepaid and PPO dental plans at competitive rates through an alliance with AvMed Health Plans.

The Delta Dental Difference®

Why do so many people trust their smiles to Delta Dental? Delta Dental PPOSM and DeltaCare[®] USA plans offer comprehensive dental coverage, quality care and excellent customer service. They also afford:

- Substantial savings from Delta Dental's management systems
- Access to Delta Dental's outstanding network of dentists
- A world-class approach to exceptional service from Delta Dental's courteous and knowledgeable Customer Service Representatives

The AvMed Health Plans and Delta Dental Program

AvMed and Delta Dental know that companies of all sizes are looking to retain employees with attractive benefit packages. This is why we have teamed up to offer you a variety of medical and dental plan options.

As one of the oldest dental plans in the United States, Delta Dental has experience you can rely on to deliver quality, affordable dental plans to meet the needs of families and businesses alike. Delta Dental also handles all of its claims processing and customer service in-house, so you can rest easy knowing your benefits are managed by a team of dental experts experienced and focused in providing quality care while managing your dental costs.
