COLORECTAL CANCER

Screening

- AvMed has partnered with Quest in an initiative to improve the rate of colon cancer screenings amongst our Medicare membership.
- Members without a documented colon cancer screening were sent an Insure FIT kit via mail.
- The kit should be completed at home and mailed to Quest for processing. Results will be sent directly to the Member within 3 weeks.
- If a Member tests positive, they will receive a phone call and their assigned Primary Care Physician will be notified by mail.
- Medicare Members receive a \$10 Healthyperks reward if they attest to completing a colon cancer screening prior to December 31st of this year.
- Please encourage patients who received a kit to complete it before the end of the year and call Quest at **1-866-908-9441** with any questions.

FLU SEASON

is Here

Please encourage your patients to protect themselves and the ones they love this holiday season by getting a flu shot. ☺
