AvMed, in arranging for the delivery of Medical Services or benefits, does not directly provide these Medical Services or benefits. AvMed arranges for the provision of said services in accordance with the covenants and conditions contained in this Summary Plan Description. AvMed will rely upon the statements of the Member in his application in providing coverage and benefits hereunder.

This document, together with the attached Addenda, is a Summary Plan Description (SPD) of the medical benefits provided to you by Jackson Health System (the ‘Company’) under the Jackson Residents’ Group Health Plan (hereinafter, the ‘Plan’). This SPD is made available for your reference and is subject to various legal requirements, including the requirements of the Health Insurance Portability and Accountability Act of 1996 (HIPAA).

Unless otherwise noted in this document, if the terms of this document and the terms of the Plan conflict, the Plan document shall control.

The Company may designate any other third-party administrators or claims administrators to carry out certain Plan duties and responsibilities. To the extent not delegated to another third party, the Company has the discretionary authority to make decisions regarding the interpretation or application of Plan provisions and the discretionary authority to determine the rights, eligibility, and benefits of Members and beneficiaries under the Plan and to review claims under the Plan. The Company has delegated the discretionary authority to interpret the Plan and to make claim determinations to AvMed.

The Plan may be amended at any time. Such amendments, for example, may (1) increase or otherwise change the cost to you for coverage, (2) change the type of benefits provided under the Plan, the conditions of participation and any other terms of the Plan, (3) require additional contributions from Members, or (4) terminate the Plan in whole or in part at any time. Plan provisions will be administered in accordance with any appropriate collective bargaining agreement.

The Plan is not intended to and does not cover or provide any Medical Services or benefits that are not Medically Necessary for the diagnosis and treatment of the Member. The determination as to which services are Medically Necessary shall be made by the Plan subject to the terms and conditions of the Plan. Claims for benefits are to be sent to AvMed.

Notwithstanding any references for definitional purposes to the contrary, this Plan is not an HMO product and is not subject to Chapter 641 of the Florida Statutes, nor is a Member of the Plan afforded any individual rights under Chapter 641 of the Florida Statutes. This is an employer-sponsored self-insured welfare plan.

The Medical and Hospital Services covered by the Plan shall be provided without regard to the race, color, religion, physical handicap, or national origin of the Member in the diagnosis and treatment of patients; in the use of equipment and other facilities; or in the assignment of personnel to provide services, pursuant to the provisions of Title VI of the Civil Rights Act of 1964, as amended, and the Americans with Disabilities Act of 1990.

a) Is unmarried and does not have a Dependent of his or her own;

b) Is a resident of Florida or a Full-time or Part-time Student; and

c) Is not provided coverage as a named Subscriber, insured, enrollee or covered person under any other group, blanket, or franchise health insurance policy or individual health benefits plan, or is not entitled to benefits under Title XVIII of the Social Security Act.

The child is not eligible to be covered unless the child was continuously covered by creditable coverage without a gap in coverage of more than 63 days.

Extended coverage may be provided if all of the above qualifications are met until the end of the calendar year in which the child reaches age 30.

AvMed will verify eligibility on an annual basis and Covered Employee agrees to provide documentation of dependent eligibility upon request.

3.03 No person is eligible to enroll hereunder who has had his coverage previously terminated under Part VII, “Termination for Cause,” except with the written approval of the Company.

3.04 Attainment of the limiting age by a dependent child shall not operate to exclude from or terminate the coverage of such child nor shall coverage prevent the enrollment of a child while such child is and continues to be both:

3.04.01 Incapable of self-sustaining employment by reason of mental retardation or physical handicap; and

3.04.02 Chiefly dependent upon the Covered Employee for support and maintenance, provided proof of such incapacity and dependency is furnished to AvMed within thirty-one (31) days of the child's attainment of the limiting age and subsequently as may be required, but not more frequently than annually after the two-year period following the child's attainment of the limiting age. If the child is eligible under a plan that the employee is covered under prior to joining the Company's plan, that with proof of Prior Creditable Coverage demonstrating the
child was covered under these circumstances prior to age 26 or the prior plan's limiting age, and then the member joins the Company's plan, the Plan will accept the "handicapped" child.

3.05 If the child of a Covered Employee, a child of a Domestic Partner or a child of a Covered Dependent of the Covered Employee was enrolled in the Plan on the basis of being a student at a postsecondary educational institution immediately before the first day of a medically necessary leave of absence, the Plan will not terminate the coverage of such child before the earlier of (1) on year after the first day of the medically necessary leave of absence, or (2) the date on which such coverage would otherwise terminate under the terms of the Plan. A “medically necessary leave of absence” is a leave of absence (or any other change in enrollment), from a postsecondary educational institution that (1) begins while the child is suffering from a severe illness or injury, (2) is medically necessary, and (3) causes the child to lose student status under the terms of the Plan. Certification by the child’s Attending Physician must be submitted to the Plan stating that the child is suffering from a severe illness or injury and that the leave of absence or other change of enrollment is medically necessary. A child whose benefits are continued under this provision is entitled to the same benefits as if (during the medically necessary leave of absence) the child continued to be a covered student at the institution of higher education and was not on a medically necessary leave of absence.

IV. ENROLLMENT

4.01 Prior to the effective date of the Plan and at a proper time prior to each anniversary thereof, the Company may provide an annual open enrollment period, in which any eligible active employee on behalf of himself and his Dependents may elect to enroll in the Plan.

4.02 Eligible employees and dependents who initially meet the requirements of Part III must enroll within thirty (30) days after becoming eligible. Otherwise, the eligible employees and dependents may not enroll until the next open enrollment period of the Company or a Special Enrollment event.

4.03 Special Enrollment Provisions.

An eligible Member or dependent may request to enroll in the Plan outside of the initial enrollment period and annual open enrollment periods if that individual loses other coverage or acquires a new dependent as outlined below:

4.03.01 If the eligible Member or dependent declined coverage under the Plan when it was first offered because of other group health plan coverage or insurance coverage and such coverage has terminated as a result of:

a) Exhaustion of COBRA continuation coverage;

b) Termination of employment or reduction in hours of employment;

c) Termination of employer contributions:

d) Legal separation, divorce, annulment or Termination of Domestic Partnership;

e) Change in dependent status;

f) Death of an employee;

g) Change in legal custody or legal guardianship;

h) Relocation out of Service Area;

i) Attainment of lifetime maximum; and

j) The eligible Member or dependent completes and submits an Enrollment or Status Change form within thirty (30) days of the termination of other coverage and provides proof of continuous coverage under the other plan.

4.03.02 If the eligible Member acquires a new dependent as a result of:
a) Marriage;
b) Birth;
c) Adoption or placement for adoption;
d) Domestic Partner registration; and
e) The eligible Member or dependent completes and submits an Enrollment or Status Change form within thirty (30) days of the date the dependent becomes eligible (or within 60 days as required for newborns). If an employee is eligible but not enrolled, the employee will also be required to enroll at this time.

4.03.03 Termination resulting from failure to pay premiums on a timely basis or termination of coverage for cause (due to fraud, intentional misrepresentation, etc.) will not provide a special enrollment period.

4.03.04 CHIPRA. Employees and their Dependents who are eligible for coverage but not enrolled, shall be eligible to enroll for coverage within 60 days following:
   a) Termination of coverage under Medicaid or Children’s Health Insurance Plan (CHIP) due to loss of eligibility; or
   b) Determination of eligibility for premium assistance under Medicaid or CHIP.
   c) The employee or Dependent must complete and submit an Enrollment or Status Change form within 60 days of the date of the loss of Medicaid or CHIP coverage, and within 60 days of the determination of eligibility for premium assistance under Medicaid or CHIP. If an employee is eligible but not enrolled, the employee will also be required to enroll at this time in order to cover an eligible Dependent.

4.04 The eligibility requirements set forth in Part III shall at all times control and no coverage contrary thereto shall be effective. Coverage shall not be implied due to clerical or administrative errors if such coverage would be contrary to Part III.

V. EFFECTIVE DATE OF COVERAGE

Subject to the payment of applicable monthly administrative fees, coverage under this Plan shall become effective on the following dates:

5.01 For eligible employees and dependents that initially meet the requirements of Part III and are properly enrolled, the effective date of coverage is the employee’s first day of employment.

5.02 Eligible employees and dependents who enroll during the open enrollment period will become Members as of the effective date of this Plan or subsequent anniversary thereof.

5.03 If a Covered Employee or Domestic Partner acquires an eligible dependent through birth, adoption, placement for adoption or marriage, such dependent shall be covered under the Plan if, within thirty (30) days (or as otherwise provided for newborns in Part III) of acquiring the new dependent, you complete and submit an enrollment form on behalf of such dependent. If received by the Plan within the thirty (30) day time period (or as otherwise provided for newborns in Part III), the enrollment for such dependent shall become effective on the date of the birth, or the earlier of: (1) adoption or (2) placement for adoption, or for marriage, the first day of the month following receipt of the status change form. During this period, you and your eligible spouse may also enroll for medical coverage under the Plan, if not already covered. However, if an enrollment is not received by the Plan within the required timeframe, you and your eligible dependents will be required to wait until the next open enrollment period to apply for coverage.

5.04 If you or your dependents originally declined medical coverage under the Plan due to other health coverage, and that coverage is subsequently terminated as a result of either a loss of eligibility for such
coverage or the termination of any employer contributions for such coverage, you and your eligible
dependents will be eligible to enroll in the Plan. To enroll, you must submit a properly completed
enrollment form to the Company within thirty (30) days of the loss of such other coverage or
termination of employer contributions. The effective date of any coverage provided under the Plan will
be the first day of the month following the date you enroll. If you fail to enroll within thirty (30) days
after the loss of other coverage, you must wait until the next open enrollment period to apply for
coverage.

VI. MONTHLY PAYMENTS AND COPAYMENTS

6.01 Maximum Copayments. Total annual Copayments may be limited as described in your Summary of
Benefits & Coverage.

6.02 In the event of the retroactive termination of a Member, neither the Plan nor AvMed shall be responsible
for medical expenses incurred by the Plan in providing benefits to the Member under the terms of the
Plan after the effective date of termination.

VII. TERMINATION OF PARTICIPATION

7.01 Reasons for Termination:

7.01.01 Loss of Eligibility:
   a) Upon a loss of the Covered Employee’s or Covered Dependent’s eligibility, as defined
      in Part III, coverage shall automatically terminate on the last day of the pay period for
      which the applicable premiums are paid, if any, and during which the employee or
      dependent was eligible for coverage.
   b) upon a loss of the Covered Employee's eligibility, coverage for all dependents shall
      automatically terminate on the last day of the pay period for which the applicable
      payroll deductions are made. However, if the loss of eligibility results from a divorce
      or termination of Domestic Partnership, such coverage shall terminate on the date of the
      divorce or Domestic Partnership.
   c) Upon a loss of the Covered Dependent child’s eligibility due to attainment of the
      limiting age, as defined in Part III, coverage shall automatically terminate at the end of
      the calendar year in which the dependent reaches the limiting age.

7.01.02 Failure to Pay Copayments and Fees – Upon failure of the Company to make payment of the
monthly administrative fee within thirty (30) days following the due date specified by
AvMed, benefits herein the Plan shall terminate for all Members for whom such payment
has not been received at 12:00 a.m. (midnight) on the last day of the month for which the
monthly administrative fee was paid.

7.01.03 Termination of Participation for Cause. The Plan may terminate or cease to provide services
to any Member immediately upon written notice for the following reasons which lead to a
loss of eligibility of the Member:
   a) fraud, material misrepresentation, or omission in applying for benefits, or coverage
      under the Plan;
   b) misuse of the Identification Card furnished by AvMed to the Member;
   c) furnishing to the Plan incorrect or incomplete information for the purpose of obtaining
      coverage or benefits under the Plan;
   d) behavior which is disruptive, unruly, abusive, or uncooperative to the extent that the
      Member’s continuing coverage under the Plan seriously impairs AvMed’s ability to
administer the Plan or to arrange for the delivery of health care services to the Member or other Members after AvMed has attempted to resolve the Member’s problem.

7.01.04 At the effective date of such termination, administrative fees received by AvMed, on account of such termination shall be refunded on a pro rata basis, and AvMed shall have no further liability or responsibility for the Member(s) under the Plan.

7.01.05 In the event of the retroactive termination of an individual Member, the Plan shall not be responsible for medical expenses under the terms of the Plan after the effective date of termination.

7.02 Notification Requirements:

7.02.01 Loss of eligibility of Covered Employee - It is the responsibility of the Company to notify AvMed in writing regarding any Covered Employee and/or Dependent who becomes ineligible to participate in the Plan. Failure of the Company to provide timely notice as described above may lead to retroactive termination of the Covered Employee and/or Dependent. The effective date for such retroactive termination will be the last day of the pay period for which the applicable payroll deductions are made and during which the Covered Employee and/or dependent was eligible for coverage.

7.02.02 Loss of eligibility of dependent - When a dependent becomes ineligible for dependent coverage due to age, student status, etc., the Covered Employee is required to notify the Company in writing within thirty (30) days of the dependent becoming ineligible.

7.03 Certificates of Creditable Coverage. Upon termination of a Member’s coverage under the Plan, including termination of any COBRA continuation coverage, the Member has the right to receive within a reasonable period of time, a certificate of creditable coverage, which shows the continuous amount of coverage the Member had under the Plan. The Member may also request a certificate during the time he or she is covered under the Plan and any time within 24 months after the Member ceases to be covered under the Plan.

7.04 COBRA Continuation Coverage. A federal law (the Consolidated Omnibus Budget Reconciliation Act, commonly known as COBRA) requires that most employers sponsoring group health plans offer employees and their families the opportunity for a temporary extension of health coverage (called “continuation coverage”) at group rates in certain instances where coverage under the Plan would otherwise end. This section of the SPD is intended to inform you, in a summary fashion, of your rights and obligations under the continuation coverage provisions of the law. Both you and your spouse should take the time to read this section carefully.

7.04.01 Eligibility. You or your Covered Dependents will become eligible for continuation coverage under the Consolidated Omnibus Reconciliation Act of 1986, as amended (COBRA), after any of the following qualifying events result in the loss of plan coverage:

a) loss of benefits due to a reduction in your hours of employment;

b) termination of your employment, including retirement but excluding termination for gross misconduct;

c) termination of employment following FMLA leave, in which case the qualifying event will occur on the earlier of the date you indicated you were not returning to work or the last day of the FMLA leave; or

d) you or a dependent first become entitled to Medicare or covered under another group health plan prior to your loss of coverage due to termination of employment or reduction in hours.

7.04.02 In addition, your enrolled dependents will become eligible for COBRA continuation coverage after any of the following qualifying events occur to cause a loss of plan coverage:
a) your death:

b) your divorce, legal separation or termination of Domestic Partnership;

c) you first become entitled to Medicare after your loss of coverage due to termination of employment or reduction in hours; or

d) your dependent child no longer qualifies as a dependent under the plan.

e) A child who is born to or placed for adoption with a covered former employee during the continuation coverage period has the same continuation coverage rights as a dependent child described above.

7.04.03 Notification. If a qualifying event other than divorce, legal separation, loss of dependent status or entitlement to Medicare occurs, the plan administrator will be notified of the qualifying event by your employer and will send you an election form. To continue plan coverage, you must return the election form within 60 days from the later of the date you received the form, or the date your coverage ends due to a qualifying event.

a) If divorce, legal separation, loss of dependent status or entitlement to Medicare under the plan occurs, you or your Covered Dependent must notify the plan administrator that a qualifying event has occurred. In order to protect your COBRA continuation rights this notification must be received by the COBRA plan administrator within 60 days after the later of the date of such event, or the date you or your eligible dependent would lose coverage on account of such event. Failure to promptly notify the plan administrator of these events will result in loss of the right to continue coverage for you and your dependents.

b) After receiving this notice, the COBRA plan administrator will send you an election form within 14 days. If you or your dependents wish to elect continuation coverage, the election form must be returned to the COBRA plan administrator within 60 days from the later of the date you received the form, or the date your coverage ends due to the qualifying event.

7.04.04 Cost. If you elect to continue coverage, you must pay the entire cost of coverage (the employer’s contribution and the active employee portion of the contribution), plus a 2% administrative fee for the duration of COBRA continuation coverage.

a) If you or your dependent is Social Security disabled (Social Security disability status must occur as defined by Title II or Title XVI of the Social Security Act), you may elect to continue coverage for the disabled person only or for some or all of COBRA eligible family Members for up to 29 months if your employment is terminated or your hours are reduced. You must pay 102% of the cost of coverage for the first 18 months of COBRA continuation coverage and 150% of the cost of coverage for the 19th through the 29th months of coverage. The Social Security disability date must occur within the first 60 days of loss of coverage due to your termination of employment or reduction in hours.

b) For COBRA coverage to remain in effect, payment must be received by the COBRA plan administrator by the first day of the month for which the premium is due. (Your first payment is due no later than 45 days after your election to continue coverage, and it must cover the period of time back to the first day of your COBRA continuation coverage.)

7.04.05 Duration. COBRA Continuation Coverage can be extended for:

a) 18 months if coverage ended due to a reduction in your work hours or termination of your employment and you or one of your Covered Dependent(s) is not Social Security disabled within 60 days of the date you lose coverage due to termination of employment
or reduction in hours, the Medicare entitled person may elect up to 18 months of COBRA. If you are that Medicare entitled person, your dependents may elect COBRA for the longer of 36 months from your prior Medicare entitlement date, or 18 months from the date of your termination or reduction in hours.

b) 36 months for your dependents, if your dependents lose eligibility for medical coverage due to your death, your divorce, legal separation or termination of Domestic Partnership, your entitlement to Medicare after your termination or reduction in hours, or your dependent child ceasing to qualify as a dependent under the plan.

c) 29 months if you lose coverage due to a termination of employment or reduction in hours and you or a dependent is disabled, as defined by Title II or Title XVI of the Social Security Act, within 60 days of the original qualifying event. In this case, you may continue coverage for an additional 11 months after the original 18-month period either for the disabled person only or for one or all of your covered family Members.

d) To be eligible for extended coverage due to Social Security disability, you must notify the COBRA plan administrator of the disability within 60 days after the latest of: (1) the date of the Social Security Administration's disability determination; (2) the date of the Covered Employee's termination of employment or reduction in hours; and (3) the date on which the qualified beneficiary would lose coverage under the terms of the Plan as a result of the termination or reduction. Your Notice of Disability must also be provided before the end of the initial 18 months of COBRA continuation coverage. If the disabled individual should no longer be considered to be disabled by the Social Security Administration, you must notify the COBRA plan administrator within 30 days following the end of the disability. Coverage that has exceeded the original 18-month continuation period will end when the individual is no longer Social Security disabled.

e) If more than one qualifying event occurs, no more than 36 months total of COBRA continuation coverage will be available. The COBRA beneficiary must experience the second qualifying event during the first 18 months of COBRA continuation, and must provide notice to the COBRA plan administrator within the required time period. COBRA continuation coverage will end sooner if the plan terminates and the employer does not provide replacement medical coverage, or if a person covered under COBRA:

1) first becomes covered under another group health plan after the loss of coverage due to your termination or reduction in hours, unless the new group coverage is limited due to a pre-existing condition exclusion; this plan will be primary for the pre-existing condition and secondary for all other eligible health care expenses, provided contributions for COBRA coverage continue to be paid. Coverage may only continue for the remainder of the original COBRA period;

2) fails to make required contributions when due;

3) first becomes entitled to Medicare benefits after the initial COBRA qualifying event; or

4) is extending the 18-month coverage period because of disability and is no longer disabled as defined by the Social Security Act.

7.05 Continuation Coverage During Leaves of Absence.

7.05.01 Family and Medical Leaves of Absence (FMLA). Under the Family and Medical Leave Act of 1993, you may be entitled to up to a total of 12 weeks of unpaid, job-protected leave during each plan year for the following:

a) the birth of your child, to care for your newborn child, or for placement of a child in your home for adoption or foster care;
b) to care for your spouse, child or parent with a serious health condition; or
c) for your own serious health condition.

7.05.02 If your FMLA leave is a paid leave, your pay will be reduced by your before-tax contributions as usual for the coverage level in effect on the date your FMLA leave begins. If your FMLA leave is unpaid, you will be required to pay your contributions directly to the employer until you return to active pay status. Your contribution for coverage will be the same as similarly situated active Members.

7.05.03 If you notify your employer that you are terminating employment during your FMLA leave, your coverage will end on the last day of the pay period in which you terminate providing premiums are paid.

7.05.04 You may not change your Plan elections during your FMLA leave unless an open enrollment occurs or you have a change in status event or a special enrollment event under HIPAA.

7.06 Military Leaves of Absence. If you are absent from work due to military service, you may elect to continue coverage under the Plan (including coverage for enrolled dependents) for up to 24 months from the first day of absence (or, if earlier, until the day after the date you are required to apply for or return to active employment with your employer under the Uniformed Services Employment and Reemployment Rights Act of 1994 (“USERRA”)). Your contributions for continued coverage will be the same as for similarly situated active Member in the Plan.

7.06.01 Whether or not you continue coverage during military service, you may reinstate coverage under the Plan option you elected on your return to employment under USERRA. The reinstatement will be without any waiting period otherwise required under the Plan, except to the extent that you had not fully completed any required waiting period prior to the start of the military service.

7.07 Other Leaves of Absence. If you are absent from work while on other approved leave of absence, you may elect to continue coverage for up to 12 months (plus an additional 12 months at the discretion of the Company). Such coverage will be provided with remittance of the required premium to the Company.

**VIII. SCHEDULE OF BASIC BENEFITS**

The professional judgment of a Physician concerning the proper course of treatment of a Member shall not be subject to modification by AvMed or its Board of Directors, Officers, or Administrators. However, this subsection is not intended to and shall not restrict any Utilization Management Program established by AvMed.

All covered services and benefits shall be provided in conformity with the terms of the Plan. It is the Member’s responsibility when seeking benefits under the Plan to identify himself as a Plan Member and to assure that the services received by the Member are being rendered by Participating Providers.

The JHS Select Network is comprised of conveniently located hospitals, facilities, physicians and other healthcare providers. JRP employees and dependents who enroll in the JHS Select Network HMO must receive all medical care, except emergencies and urgent care services, through an AvMed contracted JHS Select Network provider.

To locate a participating AvMed provider in these and other categories, please visit AvMed’s online provider search at [www.avmed.org/jhs](http://www.avmed.org/jhs), click on Jackson Health System employees, then JHS Select Network.

Members should remember that services that are provided or received without having been authorized in advance by AvMed's Medical Department, or if the service is beyond the scope of practice authorized for that Provider under state law, except in instances of Emergency Services and Care, are not covered unless such services otherwise have been expressly authorized under the terms of the Plan. Except for Emergency Services and Care, all services must be received from Participating Providers. If a Member does not follow the access
rules, he risks having services and supplies received not covered under the Plan. In such a circumstance where the Plan pays, the Member will be responsible for reimbursing the Plan for the cost of the services and supplies received. The following services require authorization from AvMed:

- All Inpatient services
- Observation services
- Residential Treatment
- Outpatient Surgery
- Intensive Outpatient Programs
- Complex radiological imaging (CT, MRI, MRA, PET and Nuclear Cardiac Imaging)
- Non-Emergency Ambulance
- Dialysis Services
- Transplant services
- Use of Non-Participating Providers

Also, Members must understand that services will not be covered if they are not Medically Necessary. Any and all decisions made by AvMed in administering the provisions of this SPD, including without limitation, the provisions of Part VIII (Schedule of Basic Benefits), Part IX (Limitations of Basic Benefits), and Part X (Exclusions from Basic Benefits), are made only to determine whether payment for any benefits will be made by the Plan. Any and all decisions that pertain to the medical need for, or desirability of the provision or non-provision of Medical Services or benefits, including without limitation, the most appropriate level of such Medical Services or benefits, must be made solely by the Member and his Physician, in accordance with the normal patient/physician relationship for purposes of determining what is in the best interest of the Member. AvMed does not have the right of control over the medical decisions made by the Member’s Physician or health care providers. The ordering of a service by a Physician, whether Participating or Non-Participating, does not in itself make such service Medically Necessary.

MEMBERS ARE RESPONSIBLE AND WILL BE LIABLE FOR COPAYMENTS WHICH MUST BE PAID TO HEALTH CARE PROVIDERS FOR CERTAIN SERVICES, AT THE TIME SERVICES ARE RENDERED, AS SET FORTH IN THE SUMMARY OF BENEFITS & COVERAGE.

8.01 The names and addresses of Participating Providers and Hospitals are set forth in a separate booklet which is incorporated herein by reference. The list of Participating Providers, which may change from time to time, will be provided to the Company. The list of Participating Providers may also be accessed from the AvMed website at [www.avmed.org/jhs](http://www.avmed.org/jhs), click on Jackson Health System employees, then JHS Select Network. Notwithstanding the printed booklet, the names and addresses of Participating Providers on file with AvMed at any given time shall constitute the official and controlling list of Participating Providers. Therefore, it is the Member’s responsibility to verify participation status prior to utilizing services.

8.02 Members are entitled to receive the covered services and benefits only as herein specified and appropriately prescribed or directed by Participating Physicians. The covered services and benefits listed in the Schedule of Basic Benefits are available only from Participating Providers and, except for Emergency Medical Services and Care, the Plan shall have no liability or obligation whatsoever on account of services or benefits sought or received by any Member from any Non-Participating Physician, Health Professional, Hospital or Other Health Care Facility, or other person, institution or organization, unless prior arrangements have been made for the Member and confirmed by written referral or authorization from AvMed.
Members enrolled are encouraged, but not required, to select one Primary Care Physician upon enrollment. The Member should notify AvMed prior to changing Primary Care Physicians. The Member's change of Primary Care Physicians will become effective on the first day of the month after Member notifies AvMed and cannot be changed more than once per month. Health Professionals may from time to time cease their affiliation with AvMed. In such cases, the Member may select a new Primary Care Physician and/or will be referred to a new Specialty Health Professional.

8.09.03 Outpatient Mental Health Services. Referral for outpatient mental health services may be arranged by the Member's Participating Physician, and each visit requires a Copayment. See your Summary of Benefits & Coverage

8.10 Rehabilitative Physical, Occupational, Respiratory or Speech Therapy. Physical, occupational, respiratory or speech therapy provided in the Outpatient or Home Care setting is covered for acute conditions for which therapy applied for a consecutive two (2) month period can be expected to result in significant improvement. Rehabilitation services for the acute phase of a chronic condition are covered only if, in the judgment of AvMed, such services are Medically Necessary and will result in significant improvement of a Member’s condition through short-term therapy. Coverage of outpatient short-term and rehabilitative services is limited to sixty (60) visits per plan year for all services combined. Therapy is covered for the treatment of Autism Spectrum Disorder, subject to Section 8.40 and 9.20. Long-term physical therapy, occupational therapy, speech therapy, rehabilitation, or other treatment of chronic conditions is not covered.

8.11 Cardiac Rehabilitation. Cardiac rehabilitation is covered for the following conditions: acute myocardial infarction, percutaneous transluminal coronary angioplasty (PTCA), coronary artery bypass graft (CABG), repair or replacement of heart valve(s) or heart transplant. 8.12 Obstetrical and gynecological care. An annual gynecological examination and Medically Necessary follow-up care detected at that visit are available without the need for a prior referral. Members do not need prior authorization from the Plan or from any other person (including a PCP) in order to obtain access to obstetrical or gynecological care from a health care professional in the Plan’s network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, please refer to your provider directory. Obstetrical care benefits as specified herein are covered and include Hospital care, anesthesia, diagnostic imaging, and laboratory services for conditions related to pregnancy unless such pregnancy is the result of a preplanned adoption arrangement, more commonly known as surrogacy. The length of maternity stay in a Hospital will be that determined to be Medically Necessary in compliance with Florida law and in accordance with the Newborns’ and Mothers’ Health Protection Act (NMHPA). Group health plans and health insurance issuers generally may not, under Federal law (including the NMHPA), restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child below certain levels. These levels are as follows:

8.12.01 Hospital stays of at least 48 hours following a normal vaginal delivery, or at least 96 hours following a cesarean section (under Federal law, the Plan may not require that your provider obtain authorization from the Plan for prescribing a length of stay not in excess of 48 or 96 hours, as appropriate);

8.12.02 The Attending Physician does not need to obtain authorization from AvMed to prescribe a Hospital stay of this length;

8.12.03 The Plan will cover an extended stay, if Medically Necessary; however, the physician or Hospital must pre-certify the extended stay.

XI. COORDINATION OF BENEFITS

11.01 The services and benefits provided under the Plan are not intended and do not duplicate any benefit to which Members are entitled under any other Group Health Insurance, HMO, Personal Injury Protection and Medical Payments under the Automobile Insurance Laws of this or any other jurisdiction, governmental organization, agency, or any other entity providing health or accident benefits to a Member, including but not limited to: Medicare, Worker's Compensation, Public Health Service, Champus, Maritime Health Benefits, or similar state programs as permitted by contract, policy, or law. Plan coverage will be primary to Medicaid benefits.

11.02 If any covered person is eligible for services or benefits under two or more plans as set forth above, the coverage under those plans will be coordinated so that up to but not more than 100% of any eligible expense will be paid for or provided by all such plans combined. The Member shall execute and deliver such instruments and papers as may be required and do whatever else is necessary to secure such rights to the Plan. Failure to do so will result in nonpayment of claims. Requested information should be provided to AvMed within thirty (30) days of request or Member will be responsible for payment of claim. Information received after one (1) year from date of service will not be considered.

11.03 The standards governing the coordination of benefits are the following:

11.03.01 The benefits of a policy or plan which covers the person as a Covered Employee or Member, other than as a Dependent, are determined before those of the policy or plan which covers the person as a Dependent.

11.03.02 Except as stated below, when two or more policies or plans cover the same child as a Dependent of different parents:

   a) The benefits of the policy or plan of the parent whose birthday, excluding year of birth, falls earlier in a year are determined before those of the policy or plan of the parent whose birthday, excluding year of birth, falls later in that year; but
   
   b) If both parents have the same birthday, the benefits of the policy or plan which covered the parent for a longer period of time are determined before those of the policy or plan which covered the parent for a shorter period of time.

11.03.03 If two or more policies or plans cover a dependent child of divorced or separated parents, benefits for the child are determined in this order:

   a) First, the policy or plan of the parent with custody of the child;
   
   b) Second, the policy or plan of the spouse of the parent with custody of the child; and
   
   c) Third, the policy or plan of the parent not having custody of the child.

   d) However, if the specific terms of a court order state that one of the parents is responsible for the health care expenses of the child and if the entity obliged to pay or provide the benefits of the policy or plan of that parent has actual knowledge of those terms, the benefits of that policy or plan are determined first. This does not apply with respect to any claim determination period or plan or policy year during which any benefits are actually paid or provided before that entity has that actual knowledge.

11.03.04 The benefits of a policy or plan which covers a person as an employee who is neither laid off nor retired, or as that employee's dependent, are determined before those of a policy or plan which covers that person as a laid off or retired employee or as that employee's dependent. If the other policy or plan is not subject to this rule, and if, as a result, the policies or plans do not agree on the order of benefits, this Subsection shall not apply.

11.03.05 If none of the above rules determine the order of benefits, the benefits of the policy or plan which covered the Member for a longer period of time are determined before those of the policy or plan which covered that person for the shorter period of time.
11.03.06 Coordination of benefits shall not be permitted against an indemnity-type policy, an excess insurance policy as defined in Section 627.635, Florida Statutes, a policy with coverage limited to specified illnesses or accidents, or a Medicare supplement policy.

11.03.07 If an individual is covered under a COBRA continuation plan as a result of the purchase of continuation coverage as provided under COBRA, and also under another group plan, the following order of benefits applies:

a) First, the plan covering the person as an employee, or as the employee's dependent.

b) Second, the coverage purchased under the plan covering the person as a former employee, or as the former employee's dependent provided according to the provisions of COBRA.

11.04 For the purpose of determining the applicability and implementing the terms of the Coordination of Benefits provision of this agreement, AvMed may, without the consent of or notice to any person, release to or obtain from any other insurance company, organizations or person, any information, with respect to any Member, which AvMed deems to be necessary for such purposes.

11.05 Whenever payments which should have been made under the Plan in accordance with this provision have been made under any other plans, the Plan shall have the right, exercisable alone and in its sole discretion, to pay over to any organizations making such other payments any amounts the Plan shall determine to be warranted in order to satisfy the intent of this provision, and amounts so paid shall be deemed to be Benefits paid under this Plan.

11.06 All treatments must be Medically Necessary and comply with all terms, conditions, Limitations, and Exclusions of this Plan even if the Plan is secondary to other coverage and the treatment is covered under the other coverage.

11.07 Persons Eligible for Medicare

11.07.01 Medicare shall be considered the secondary plan and this Plan shall be considered the primary plan with respect to the following covered persons entitled to Medicare:

a) For Medicare entitlement due to age, active employees and their spouses;

b) For Medicare entitlement due to disability, employees under this Plan due to current employment status and their family Members;

c) For Medicare entitlement due to end-stage renal disease, all covered persons during the first 30 months of Medicare entitlement.

11.07.02 For all other covered persons entitled to Medicare, this Plan shall be secondary plan. When this Plan is secondary to Medicare, the amount payable under this Plan shall be reduced by the amount payable under Medicare, if any, regardless of whether the covered person has enrolled in Medicare.

11.07.03 A member who is eligible to be covered under Medicare, except a member actively employed by the Company or the covered spouse of a member actively employed, must enroll in Medicare Parts A and B on the date eligible in order to continue coverage under the Group Plan or the Plan will assume that the member has both Parts A and B.

XII. SUBROGATION AND RIGHT OF RECOVERY

12.01 If the Plan provides health care benefits under this SPD to a Member for injuries or illness for which another party is or may be responsible, then the Plan retains the right to repayment of the full cost of all benefits provided by the Plan on behalf of the Member that are associated with the injury or illness for which another party is or may be responsible. The Plan’s rights of recovery apply to any recoveries made by or on behalf of the Member from the following third-party sources, as allowed by law,
including but not limited to: payments made by a third-party tortfeasor or any insurance company on behalf of the third-party tortfeasor; any payments or awards under an uninsured or underinsured motorist coverage policy; any worker’s compensation or disability award or settlement; medical payments coverage under any automobile policy, premises or homeowners medical payments coverage or premises or homeowners insurance coverage; any other payments from a source intended to compensate a Member for injuries resulting from an accident or alleged negligence. For purposes of this SPD, a tortfeasor is any party who has committed injury, or wrongful act done willingly, negligently or in circumstances involving strict liability, but not including breach of the Plan for which a civil suit can be brought.

12.02 Member specifically acknowledges the Plan’s right of subrogation. When the Plan provides health care benefits for injuries or illnesses for which a third party is or may be responsible, the Plan shall be subrogated to the Member’s rights of recovery against any party to the extent of the full cost of all benefits provided by the Plan, to the fullest extent permitted by law. The Plan may proceed against any party with or without the Member’s consent.

12.03 Member also specifically acknowledges the Plan’s right of reimbursement. This right of reimbursement attaches, to the fullest extent permitted by law, when the Plan has provided health care benefits for injuries or illness for which another party is or may be responsible and the Member and/or the Member’s representative has recovered any amounts from the third party or any party making payments on the third party’s behalf. By providing any benefit under this SPD, the Plan is granted an assignment of the proceeds of any settlement, judgment or other payment received by the Member to the extent of the full cost of all benefits provided by The Plan. The Plan’s right of reimbursement is cumulative with and not exclusive of the Plan’s subrogation right and the Plan may choose to exercise either or both rights of recovery.

12.04 Member and the Member’s representatives further agree to:

12.04.01 Notify the Plan promptly and in writing when notice is given to any third party of the intention to investigate or pursue a claim to recover damages or obtain compensation due to injuries or illness sustained by the Member that may be the legal responsibility of a third party; and

12.04.02 Cooperate with the Plan and do whatever is necessary to secure the Plan's rights of subrogation and/or reimbursement under this SPD; and

12.04.03 Give the Plan a first-priority lien on any recovery, settlement or judgment or other source of compensation which may be had from a third party to the extent of the full cost of all benefits associated with injuries or illness provided by the Plan for which a third party is or may be responsible (regardless of whether specifically set forth in the recovery, settlement, judgment or compensation agreement); and

12.04.04 Pay, as the first priority, from any recovery, settlement or judgment or other source of compensation, any and all amounts due the Plan as reimbursement for the full cost of all benefits associated with injuries or illness provided by the Plan for which a third party is or may be responsible (regardless of whether specifically set forth in the recovery, settlement, judgment, or compensation agreement), unless otherwise agreed to by the Plan in writing; and

12.04.05 Do nothing to prejudice the Plan's rights as set forth above. This includes, but is not limited to, refraining from making any settlement or recovery, which specifically attempts to reduce or exclude the full cost of all benefits, provided by the Plan.

12.05 The Plan may recover the full cost of all benefits provided by the Plan under this SPD without regard to any claim of fault on the part of the Member, whether by comparative negligence or otherwise. No court costs or attorney fees may be deducted from the Plan’s recovery without the prior express written consent of the Plan. In the event the Member or the Member’s representative fails to cooperate with the
Plan, the Member shall be responsible for all benefits paid by the Plan in addition to costs and attorney's fees incurred by the Plan in obtaining repayment.

XIII. DISCLAIMER OF LIABILITY

13.01 Neither the Plan nor AvMed directly employs any practicing Physicians nor any Hospital personnel or Physicians. These health care providers are independent contractors and are not the agents or employees of the Plan. Therefore, neither AvMed, nor the Plan shall be liable for any negligent act or omission committed by any independent practicing Physicians, nurses, or medical personnel, nor any Hospital or health care facility, its personnel, other Health Professionals or any of their employees or agents who may, from time to time, provide Medical Services to a Member of the Plan. Furthermore, neither AvMed nor the Plan shall be vicariously liable for any negligent act or omission of any of these independent Health Professionals who treat Plan Member(s).

13.02 Certain Members may, for personal reasons, refuse to accept procedures or treatment recommended by Participating Physicians. Participating Physicians may regard such refusal to accept their recommendations as incompatible with the continuance of the Physician/patient relationship and as obstructing the provision of proper medical care. If a Member refuses to accept the medical treatment or procedure recommended by the Participating Physician and if, in the judgment of the Participating Physician, no professionally acceptable alternative exists or if an alternative treatment does exist but is not recommended by the Participating Physician, the Member shall be so advised. If a Member continues to refuse the recommended treatment or procedure, the Plan may terminate the Member's coverage under the Plan as set forth in Part VII.
