As a member you must select an in-network doctor to act as your Primary Care Provider (PCP). Also, if you use pharmacies that are not in our network to obtain prescription drugs, the plan may not pay for those drugs.

You may visit <http://www.avmed.org> to search for a network provider or pharmacy using the online directories. You can also view the Plan Drug List (Formulary) to see what drugs are covered, and if there are any restrictions.
