

 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately.

This is only a summary. Important Questions	Answers	Why This Matters:
<a href="#">What is the overall deductible?</a>	<b>In-Network Tier A:</b> \$3,500 Individual / \$7,000 Family <b>In-Network Tier B:</b> \$3,500 Individual / \$7,000 Family <b>Out of Network:</b> \$10,500 Individual / \$21,000 Family	Generally, you must pay all of the costs from providers up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
<a href="#">Are there services covered before you meet your deductible?</a>	Yes. In-Network <a href="#">preventive care</a> is covered before you meet your <a href="#">deductible</a> .	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<a href="#">Are there other deductibles for specific services?</a>	Yes. \$60 per child for Pediatric Dental. Doesn't apply to the overall deductible. There are no other specific deductibles.	You must pay all of the costs for these services up to the specific <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay for these <a href="#">services</a> .
<a href="#">What is the out-of-pocket limit for this plan?</a>	<b>In-Network Tier A:</b> \$7,000 Individual / \$14,000 Family <b>In-Network Tier B:</b> \$7,000 Individual / \$14,000 Family <b>Out of Network:</b> \$21,000 Individual / \$42,000 Family Pediatric Dental is limited to \$400 per child or \$800 for 2 or more children.	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limit</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
<a href="#">What is not included in the out-of-pocket limit?</a>	<a href="#">Premiums</a> , <a href="#">prescription drug</a> brand additional charges and manufacturer assistance, balance billing charges, and health care this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
<a href="#">Will you pay less if you use a network provider?</a>	Yes. See <a href="http://www.avmed.org">www.avmed.org</a> or call 1-800-477-8768 for a list of <a href="#">network providers</a> .	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the provider's charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
<a href="#">Do you need a referral to see a specialist?</a>	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
