| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | In-Network: \$3,150 Individual / \$6,300 Family Out of Network: Not Applicable Pediatric Dental is limited to \$400 per child or \$800 for 2 or more children. | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limit</u> until the overall family <u>out-of-pocket limit</u> has been met.                                                                                                                                                                                                                                                                               |
| What is not included in the out-of-pocket limit?                     | Premiums, prescription drug brand additional charges and manufacturer assistance, and health care this plan doesn't cover.                                     | Even though you pay these expenses, they don't count toward the out-of-pocket limit.                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| Will you pay less if you use a <u>network provider</u> ?             | Yes. See <a href="https://www.avmed.org">www.avmed.org</a> or call 1-800-477-8768 for a list of <a href="https://www.new.avmed.org">network providers</a> .    | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?           | Yes.                                                                                                                                                           | This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .                                                                                                                                                                                                                                                                                                                                                                       |

## **About these Coverage Examples:**

This is not a cost estimator. Treatments shown are just examples of how this <u>plan</u> might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your <u>providers</u> charge, and many other factors. Focus on the <u>cost sharing</u> amounts (<u>deductibles</u>, <u>copayments</u> and <u>coinsurance</u>) and <u>excluded services</u> under the <u>plan</u>. Use this information to compare the portion of costs you might pay under different health <u>plans</u>. Please note these coverage examples are based on self-only coverage.
