Coverage for: Individual or Individual + Family | Plan Type: POS

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-376-6651 or visit www.avmed.org and sign into the Member Portal. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>www.healthcare.gov/sbc-glossary</u> or call 1-800-376-6651 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	In-Network: \$4,550 Individual / \$9,100 Family Out-of-Network: \$13,650 Individual / \$27,300 Family	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. In-Network <u>preventive care</u> is covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other deductibles for specific services?	Yes. \$60 per child for Pediatric Dental. Doesn't apply to the overall deductible. There are no other specific deductibles.	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these <u>services</u> .
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	In-Network: \$6,000 Individual / \$12,000 Family Out-of-Network: \$18,000 Individual / \$36,000 Family Pediatric Dental is limited to \$400 per child or \$800 for 2 or more children.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limit</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Premiums, prescription drug brand additional charges and manufacturer assistance, balance billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See <a href="https://www.avmed.org">www.avmed.org</a> or call 1-800-376-6651 for a list of <a href="https://www.avmed.org">network providers</a> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
