| Important Questions | Answers | Why This Matters: |
|---|--|---|
| What is the overall <u>deductible</u> ? | In-Network: \$4,000 Individual / \$8,000 Family Out-of-Network: Not Applicable | Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> . |
| Are there services covered before you meet your <u>deductible</u> ? | Yes. <u>Preventive care</u> , office visits, certain diagnostic tests, certain imaging, certain <u>prescription drugs</u> , outpatient surgery, <u>urgent care</u> , outpatient <u>rehabilitation</u> are covered before you meet your <u>deductible</u> . | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> . |
| Are there other <u>deductibles</u> for specific services? | Yes. \$60 per child for Pediatric Dental. Doesn't apply to the overall deductible. There are no other specific deductibles. | You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these <u>services</u> . |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | In-Network: \$8,500 Individual / \$17,000 Family Out-of-Network: Not Applicable Pediatric Dental is limited to \$375 per child or \$750 for 2 or more children. | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limit</u> until the overall family <u>out-of-pocket limit</u> has been met. |
| What is not included in the out-of-pocket limit? | Premiums, prescription drug brand additional charges and manufacturer assistance, and health care this plan doesn't cover. | Even though you pay these expenses, they don't count toward the <u>out-of-</u> pocket limit. |
| Will you pay less if you use a <u>network provider</u> ? | Yes. See <u>www.avmed.org</u> or call 1-800-376-6651 for a list of <u>network providers</u> . | This <u>plan</u> uses a <u>provider</u> <u>network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ? | No. | You can see the <u>specialist</u> you choose without a <u>referral</u> . |

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
