For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>www.healthcare.gov/sbc-glossary</u> or call 1-800-376-6651 to request a copy.

| Important Questions   | Answers   | Why This Matters:   |
|---|---|---|
| What is the overall<br><u>deductible</u> ?                                | In-Network: \$4,750 Individual / \$9,500 Family<br>Out-of-Network: \$14,250 Individual / \$28,500 Family  | Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .  |
| Are there services covered<br>before you meet your<br><u>deductible</u> ? | Yes. In-Network <u>preventive care</u> , office visits, certain diagnostic tests, certain imaging, certain <u>prescription</u> <u>drugs</u> , outpatient surgery, <u>urgent care</u> , <u>emergency</u> <u>room</u> , outpatient <u>rehabilitation</u> are covered before you meet your <u>deductible</u> . | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .   |
| Are there other <u>deductibles</u> for specific services?                 | Yes. \$60 per child for Pediatric Dental. Doesn't apply to the overall deductible. There are no other specific deductibles.   | You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these <u>services</u> .  |
| What is the <u>out-of-pocket</u><br><u>limit</u> for this <u>plan</u> ?   | In-Network: \$8,650 Individual / \$17,300 Family<br>Out-of-Network: \$25,950 Individual / \$51,900 Family<br>Pediatric Dental is limited to \$375 per child or \$750 for<br>2 or more children.   | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services.<br>If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limit</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| What is not included in the<br>out-of-pocket limit?                       | Premiums, prescription drug brand additional charges<br>and manufacturer assistance, balance billing charges,<br>and health care this <u>plan</u> doesn't cover.  | Even though you pay these expenses, they don't count toward the <u>out-of-</u><br>pocket limit.   |
| Will you pay less if you use<br>a <u>network provider</u> ?               | Yes. See <u>www.avmed.org</u> or call 1-800-376-6651 for a list of <u>network providers</u> .   | This <u>plan</u> uses a <u>provider</u> <u>network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to<br>see a <u>specialist</u> ?             | No.   | You can see the <u>specialist</u> you choose without a <u>referral</u> .  |

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
