This Schedule of Benefits outlines your cost-sharing and limitations that apply to specific covered services under your Plan. It is intended only to highlight your benefits. Your Medical and Hospital Service Contract provides a detailed description of coverage and the limitations and exclusions to these benefits. Please review your Contract for a complete explanation of your benefits and the terms and conditions of coverage. In general, benefits and services are not covered out-of-network except for Urgent and Emergency Medical Services and Care, and must be received at participating providers. See your AvMed online directory. Note: you may receive bills from one or more providers per visit or service. This Schedule of Benefits replaces any Schedule of Benefits previously in use.

SCHEDULE OF SERVICES	COST-TO-MEMBER

DEDUCTIBLE	IN-NETWORK
------------	------------

<ul style="list-style-type: none"><li><b>Individual / Family</b></li></ul>	\$3,500 / \$7,000
----------------------------------------------------------------------------	-------------------

The deductible is the amount you owe each calendar year for covered services before AvMed begins to pay. It may not apply to all services. Amounts paid toward the individual deductible apply toward any applicable family deductible. The most any covered family member will pay toward the family deductible is the individual deductible amount.

-----------------------

<ul style="list-style-type: none"><li><b>Individual / Family</b></li></ul>	\$6,000 / \$12,000

The out-of-pocket maximum is the most you pay each calendar year for covered services, such as deductible payments, copayments, and coinsurances. Once you reach the out-of-pocket maximum, AvMed will pay for your covered services for the rest of the year. Amounts paid toward the individual out-of-pocket maximum apply toward any applicable family out-of-pocket maximum. The most any covered family member will pay toward the family out-of-pocket maximum is the individual out-of-pocket maximum amount.
