Important Questions	Answers	Why This Matters:
What is the overall deductible ?	In-Network : \$0 individual/ \$0 family	See the Common Medical Event chart below for your costs for services this plan covers.
Are there services covered before you meet your deductible ?	This plan has no deductible In-Network.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan ?	In-Network : \$1,500 individual/ \$3,000 dependent coverage (does not include prescription cost-sharing); In-Network Prescription Drugs : \$1,500 individual/ \$3,000 dependent coverage (does not include medical cost-sharing)	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit ?	Premiums , prescription drug brand additional charges, and services this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. See www.avmed.org/jhs or call 1-844-439-5378 for a list of participating providers. Participants must use JHS Select Network Providers and must reside in Miami-Dade, Broward, or Palm Beach County.	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral .

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
