

Simplify How You Receive Claim Payments

AvMed has partnered with Zelis to provide the latest in secure payment technology while adding efficiency to the claims payment process.

We invite you to enroll with Zelis to receive electronic claim payments and remittances. Once enrolled in the Zelis Payment Network, you will receive streamlined payments and remittances for **AvMed** and 450+ additional payers in the Zelis network.

The Power of Enrolling with Zelis

Remove the hassle of managing individual claim payments from multiple insurers by receiving one consolidated payment and remittance stream from 450+ insurers.

Choose how you get paid

Choose payment and remittance options that match your workflow, including ACH⁺, which deposits funds into your account days faster than checks.

Easy reconciliation

Gain detailed insights into your claim payments with Zelis CAQH Core III certified Electronic Remittance Advice (ERA) or 835s.

Information at your fingertips

Experience the simplicity of one online portal to access payment and remittance data from 450+ insurers.

Help if you need it

Spend less time on hold with one dedicated support team for payment or remittance issues with any of the 450+ insurers.

Peace of mind

Rest assured your information and payments are protected thanks to a multi-layer security approach, backed by HITRUST certification.
