2020 ANNUAL ENROLLMENT PERIOD (AEP) IS ALMOST HERE!

At AvMed, we are recruiting a selective group of independent agents to represent our Medicare Advantage plans for this Annual Open Enrollment Period and Open Enrollment season. Prospective agents will go through a screening process to ensure they align with our AvMed target audience profile, Mission and Values, Medicare experience and, most importantly, commitment to service excellence in representing AvMed Medicare Advantage plans.

The Centers for Medicare and Medicaid Services (CMS) has awarded AvMed Medicare 4 out of 5 stars for its quality and performance.* That's quite an accomplishment in the competitive Medicare Advantage health plan arena.

For the past 50 years, we have been focused on one thing: A healthy Florida. To that end, we've worked hard to provide our friends and neighbors with a "Better Member Health Experience," affordable solutions and excellent service.

AvMed offers Medicare plans in Miami-Dade and Broward and aims to inspire our Medicare Advantage membership of more than 29,000 Floridians to "Embrace better health."

Our broad, diverse networks of Providers and facilities, aren't only 5,000 strong, they're satisfied. In annual surveys, AvMed continually tops our direct competitors in physician satisfaction while 9 out of 10 doctors recommend us to their patients and peers.**
