

# Invite your AvMed Member Employees to See a Doctor Anytime, from Anywhere!

**AvMed Virtual Visits**, powered by **MDLIVE**, allows AvMed Members to visit a health care provider from a computer, tablet or smartphone—anytime, anywhere, **for a flat \$40 fee**.

## Four Reasons To Use Virtual Visits:

- 1. It's economical**—It's free to sign up and an inexpensive way to see a provider for non-emergency medical conditions.
- 2. No waiting for an appointment**—Board-certified health care providers are available 24/7.
- 3. Prescriptions are available**—When your condition requires it, getting your prescription is fast and convenient.
- 4. Easier travel care**—Getting medical care during business trips and vacations is easier and less stressful.

AvMed Virtual Visits handles only non-emergency medical issues. If you are experiencing a medical emergency, you should not use AvMed Virtual Visits and should dial 911 immediately. AvMed Virtual Visits should not replace your PCP's care for common or chronic conditions. Some state laws require that a doctor can only prescribe medication in certain situations and subject to certain limitations.

MDLIVE does not replace the primary care physician. MDLIVE is not an insurance product nor a prescription fulfillment warehouse. MDLIVE operates subject to state regulation and may not be available in certain states. MDLIVE does not guarantee that a prescription will be written. MDLIVE does not prescribe DEA controlled substances, non-therapeutic drugs and certain other drugs which may be harmful because of their potential for abuse. MDLIVE physicians reserve the right to deny care for potential misuse of services. MDLIVE and the MDLIVE logo are registered trademarks of MDLIVE, Inc. and may not be used without written permission.
